1254EU - 20.00

Sleep Quickshot Vanilla Creme (EU)

People across the world report they are thrilled with CILI Sleep and it's consistency, reliability and calming quality. Lack of sleep can turn your world upside down and leads to exhaustion, as well as many other health issues. A good night's sleep is profoundly important. Did you know that certain adaptogens in CILI Sleep can regulate the level of cortisol reducing stress? Cortisol normally obeys the body's inner clock. It synchronizes patterns of sleeping. A relaxed body allows for better and more rejuvenating sleep.

1256EU - 20.00

Relief Quickshot Green Apple (EU)

Such a brilliant way for quick relief. Convenient CILI Relief sprays directly in the mouth, to rid yourself of discomfort from sore muscles from a workout or the everyday nagging joint pain from issues of the golden years. A few of the highlighted effective ingredients of this premium product are White Willow Bark traditionally used to treat all kinds of pain and Yuan Hu Suo or Cordalis. Both strong herbals have been used in TCM (Traditional Chinese Medicine) for hundreds of years.
